

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 06/18/2001

SOURCE, who is in a position to testify, provided a cassette tape to Deputy Lloyd Hernandez containing a consensually recorded telephone conversation made to ARMANDO "SUAVI3" HEREDIA on 06/11/2001 at approximately 7:45 a.m. The tape was labeled as Tape #108 and retained for submission into evidence.

A subsequent review of the tape was conducted by Special Agent (SA) Amy M. Poling. A brief summary of the recorded conversation is as follows:

LITTLE MAN (JOSEPH SAUSED0) has become an issue in Salinas. There are two sides in Salinas and POWDER (PAUL KILLINGER), who was just released from Santa Rita Jail, is going to start holding money for the bank. HEREDIA says that KILLINGER is in constant communication with WINO (JIMMY SIERORSKI), but HEREDIA does not know if that is where KILLINGER received the order. HEREDIA wants SOURCE to talk to KILLINGER and tell him to stop.

HEREDIA says that he is supplying the youngsters with the weaponry to handle their business. HEREDIA says that he is not giving the youngsters everything. HEREDIA is giving them the "throw-away stuff," or "no-good shit," that still works. HEREDIA says he has a "57", a "dirty-ass 38" and a "shotgun" that the youngsters use. HEREDIA says that there are a few other things put away for "us" (referring to the regiment in Salinas). HEREDIA makes reference to a 38 and a 380.

SOURCE says that SOURCE wants to come down and pick up the 357. SOURCE wants to pick up the 357 and take it to Sacramento because they have "something to do down there." The regiment in Sacramento will give SOURCE "one of theirs" (referring to a gun) and SOURCE will bring that back to HEREDIA. SOURCE said that SOURCE could not guarantee it would be a 357, but said that it would not be smaller than a 38. HEREDIA tells SOURCE that the handle to the 357 is broken, but assures SOURCE that "it shoots." HEREDIA says that the 357 is already dirty, and it would be best if it was trashed after it is used. SOURCE said they did not want to be like BOXER (ROCQUE MARTINEZ) and hold onto the murder weapon.

Investigation on 06/11/2001 at Rohnert Park, CA
